WORKSHOP MINUTES
Wednesday, March 21, 2018 – 6:30 PM
MEETING LOCATION: PASO ROBLES LIBRARY/CITY HALL
CONFERENCE CENTER
CITY HALL, 1000 SPRING STREET**

CALL TO ORDER – 6:32 PM

ROLL CALL Chairman Stephen King, Vice-Chair Sasha Irving, Katherine Barnett, Nick Gilman, Jake Hudson, Bill Pluma, and Matt McClish

AD-HOC: Councilmember Gregory and Councilmember Reed

ABSENT: Sasha Irving, Bill Pluma

GENERAL PUBLIC COMMENTS: None

BUSINESS ITEMS

1. Presentation by City Staff on the Pavement Condition Index Rating

If a road is constructed in stages, do you rate the entire road as a whole? DM- the road is rated block by block. When are the roads with the worst PCI being considered? DM- roads on the west side along with the Bolen and Caddie Neighborhoods, have been awarded to be repaired. Union Road near Barney Schwartz Park is in horrible condition, when do you plan on fixing? DM- it is on the schedule for FY 2019/2020 for repair. Resident – that is not soon enough, why can't it be moved up on the schedule? SK- it's the committee's role to help advise the Council what the public's concerns are and this will be reviewed and considered.

2. Review of the 7 year Street Repair Plan

KB- why isn't the money that's allocated from the City for street repairs on this budget? DM- normal street staff and repairs aren't shown on this two year budget, only Gas Tax, Grants, Supplemental Tax and SB1 Funding. KB- would like to see some STOC funds set aside for educational purposes, more than a workshop. JH- would like to know how lower gas tax revenue is affecting the City. DM- Paso Robles is a full service City, tourism is relatively new and there are other areas that need funding, not just roads. Councilmember Gregory- City of Paso Robles has a \$29M operating budget for the entire city and \$1M is budgeted for street repairs. NG- in the past, the City only allocated \$75,000 for street repairs.

KB- would like to see the City post the accomplishments of these projects. NG- is the \$500k on the 2-year budget area specific? DM- no, depends on what's needed annually. NG- what is the City's staffing for road maintenance? DM- for 166 centerline miles, City staffs 4 employees for streets.

Chairman King- let's break and allow the audience to view the maps provided by staff.

3. Supplemental Tax Committee to Recommend the 2018-2019 and 2019-2020 Budgeted Projects

NG- any graphics for 13th Street from Park to Pine? DM- yes, we will provide (attached to minutes). DE- on behalf of Sasha Irving, would like to see Niblick from Creston to S. River on the 7-year plan. DM- the committee can consider but we are currently advising on the upcoming 2-year budget. KB- why does it cost \$300k to sync the traffic signals? How is that included in roads? Dry Creek- can you elaborate on who uses this road and why we are

considering repairing it before 24th Street Bridge? DM- to sync the lights, it's a specialized function and there are a lot of signals along Niblick, and it's a safety issue. JH- agreed with Kathy, cost seems high, why use STOC funds and not USHA funds? DM- Can't recommend that change but it can be considered. DM- Dry Creek is a city street and in terrible condition. City wants to put underground utilities, so it makes sense to repair the road. The businesses and community use the road, and also a possible future parallel road to Highway 46.

Motion to recommend a modified version of the FY 2018-2019 and 2019/2020 budget moving the Union Road along Barney Schwartz Park repairs to FY 2018/2019. Direct staff to review and analyze adding 17th Street west of Spring Street and Pine Street from 16th to 21st for street repairs to the 7-year budget.

Residents unhappy with the condition of Union Road at Barney Schwartz Park, and would like it moved up on the 7-year plan. It's a safety issue, as drivers swerve into oncoming traffic to avoid the potholes. Residents also unhappy with the condition of 17th Street, west of Spring Street, and why it is not on the 7-year plan. Resident provided the committee with photos. Also, Pine Street between 16th and 21st streets is in need of repair. Residents provided the committee with a request and pictures. And lastly, Union and Golden Hill is still awful and resident would like to know why there are two higher cost projects in one fiscal year, and not spread out more through the 7-year plan.

Public would like to see the Powerpoints that were shown at the workshop, and would also like to be made aware of future meetings/workshops. Advised that the City would add all documents to the website and send an email blast for future meetings.

Motion made by Jake Hudson seconded by Kathy Barnett, motion passed 4-1.

MEMORANDUM

TO: Supplemental Tax Oversight Committee (STOC)

FROM: Ditas Esperanza, Capital Projects Engineer

DATE: April 11, 2018

SUBJECT: Street Maintenance Progress Report

Creston Road Repairs – South River Road to Niblick

City Council adopted the Preliminary Plan on February 6, 2018. In addition, they awarded the preparation of the final design of the project to North Coast Engineering. Finally, they authorized staff to pursue an Active Transportation Program (ATP) Grant, in the amount of \$4 Million with a match of \$4 Million for construction.

Spring Street – 24th to 36th

At the meeting on September 20, 2016, the City Council authorized awarding a contract to upgrade water mains from 24th to 36th, to meet fire flow deficiencies. This construction will be part of the road repairs. There are also some old sewer mains and manholes that will need to be repaired as part of the project. The project is in design. Potentially scheduled for Summer 2019.

Sherwood – Creston to Fontana

At the April 3, 2018 City Council meeting, the construction contract was awarded to Souza Construction. Work should begin by June 2018, and completed in early 2019. There is a traffic signal pole as part of the contract at Sherwood Road and Commerce Way. These poles have a 6-8 month lead-time for delivery.

13th Street Pedestrian Corridor Enhancements (Park to Pine)

The City's been awarded a grant, which will be used to evaluate this corridor. There is also a CDBG Grant, in the amount of \$143,000 to upgrade curb ramps at Pine. The CDBG Grant is for design and construction of these ramps, and will be available in 2018. The CDBG funded portion Pine Street and 13th, is in the final design and should advertise for bids in June/July. The portion at Park Street and 13th will follow.

Vine St. – 32nd to Caballo

Dirt road behind Georgia Brown School will be paved summer 2018 using Supplemental Sales Tax. Nine bids were received on March 22, 2018. Staff will ask City Council to award the contract to Calportland Construction at their meeting on April 17, 2018.

West Side Slurry

The City Council authorized staff to advertise for bids for all the West Side Streets that would benefit/extend useful life with a slurry seal treatment. Approximately 23-25 road segments are on the list. Council awarded the contract on November 4, 2017. Work begins in mid-April starting with dig-out repairs. Work in the residential areas will be daytime work. Those streets

within the downtown area and streets with large volumes of traffic will be in the evening hours.

Light Rehab Maintenance

The City Council authorized staff to advertise for bids for light rehab maintenance of the following streets:

- Moss Avenue
- Cecil Court
- Gates Court
- Bolen Drive
- Corona Court
- Tucker Avenue
- Trigo Lane (s/o Creston only)
- Caddie
- Golf Place
- Country Club (n/o Niblick only)

Council awarded the contract on November 21, 2017. Work has begun on this project starting with the construction of the cross-gutters and ramps, localized dig-out repairs, and then finally, pavement re-surfacing.

Annual Slurry Seal

City Council awarded the contract to perform this work but waiting for warmer weather so that work may begin. Street segments included:

Cool Valley – Beechwood to Running Stag Way
Oriole Way – Meadowlark to Ashwood
Harvest Meadow cul-de-sac
Dry Well cul-de-sac
Deer Springs – Meadowlark to Running Stag Way
Running Stag Way – Sycamore Canyon to Winding Brook
Sycamore Canyon Road Loop
Larkfield Place – Sycamore Canyon to cul-de-sac
Winding Brook Road Loop
Little Quail Place cul-de-sac
Riata Court cul-de-sac
Larable Court cul-de-sac
Latigo Court cul-de-sac
