

STANDARD SPECIFICATION AND DETAILS

CITY OF EL PASO DE ROBLES

SECTION I

GENERAL REQUIREMENTS

I-1. PURPOSE

The purpose of these Standards and Specifications is to provide minimum standards for the design, materials and methods of construction for streets, storm drains, sanitary sewers, and domestic water supply facilities within the City of Paso Robles; where any portion of such improvement is to be offered to the City for operation and maintenance. Any items which are not included in these Standards or Specifications shall be constructed in accordance with the latest edition of Caltrans Standard Specifications, the American Public Works Association Green Book or as approved by the City Engineer.

I-2. DEFINITIONS

The intent and meaning of the terms that are used in these Standard Specifications shall be as defined in Section 1 of the State Standard Specifications except as specifically noted below.

1. Record Drawing – A record of “as-built” construction compiled by a Civil Engineer based on observations and best available information provided by others.
2. Consultant - Shall mean any person or persons, firm partnership or corporation, legally authorized to practice Civil Engineering in the State of California, who prepares or submits improvement plans and specifications, to the City of Paso Robles for approval.
3. Contractor - Shall mean any person or persons, firm, partnership, corporation or combination thereof who has entered into a contract for the construction of any public improvement within the City of Paso Robles.
4. Developer - Shall mean the owner of the contract being performed or his or her representative.

I-3. ENCROACHMENT PERMIT

Any contractor performing work under these standards and specifications is required to obtain a City business license and an Encroachment Permit for all work performed within the public right-of-way. The contractor shall possess a valid state contractor's license to perform such work. The contractor or his or her duly authorized representative must be available on the job site at any time work is in progress.
