C. ACTIVITIES DESCRIPTION:

31. Are any alterations to the interior of existing building(s) proposed? _____ If yes, describe: _____

32. Are any alterations to the exterior of existing building(s) proposed? _____ If yes, describe: _____

33. How will the building/site be used? Give approximate square footage area proposed for each use (e.g., manufacturing, warehouse, office, retail, classrooms, etc.): _____

34. Will there be outdoor storage/display or other outdoor uses? _____ If yes, describe what and where: _____

35. On a separate sheet, indicate the following information about the project:

- a. If commercial, state the type, gross* square footage of sales area, number of shifts, estimated employment per shift, and provisions for loading facilities;
**except in downtown parking assessment district where net square footage is required (attach floor plan)*
- b. If industrial, state the type, hours of operation, number of shifts, estimated employment per shift, applicable shipping and delivery requirements, and provisions for loading facilities.

D. ENVIRONMENTAL SETTING:

36. On a separate sheet, describe the following existing conditions of the site:

- a. Soil stability, vegetation, and animals on and around the site
- b. Topography (slope) of the site and any unusual landform features
- c. Structures on the site and their uses
- d. Cultural, historical, and scenic aspects of the site
- e. Surrounding land uses (residential, commercial, etc.) and their intensities (single family houses, apartments, shops, agricultural, etc.)
- f. Scale of surrounding development (height, frontage, setback, rear yard, etc.)
- g. Existing onsite or adjacent overhead utilities. Undergrounding of all overhead utilities may be required with project approval.

37. Are there any existing oak trees on site? If so please show their location, trunk diameter size, and any which are proposed for removal. This information may be included on any of the submitted site plans if it can be clearly shown. If there are no oak trees located on the site, please state so on the plans.

E. CERTIFICATION:

I HEREBY CERTIFY that the information provided above and any attachments has been done to the best of my ability, and that the facts, statements, and information presented are true and correct to the best of my knowledge and belief.
