Save the Date

12th Annual Paso Robles Creek Day
September 29, 2018 – Save The Date!

PASO ROBLES, CA – The 12th Annual Paso Robles Creek Day will take place on September 29, 2018. Last year we had 71 volunteers turn out to help pick up close to 1.96 tons (3,920 pounds) of trash from our waterways, streets, and parks. Creek Day is a great way to join the effort to protect our beautiful Salinas River by joining regional effort to remove litter from our beaches, creeks, shoreline, river, streets, parks, and neighborhoods; thereby, reducing the harmful impact caused by both litter and urban runoff and enhancing the natural beauty of our watershed.

Please join us again to make a difference in our community!
