# Drought Response: 2016 Update

## Conservation and Outlook

- February water conservation fell short of State mandate for the month (24.7% from target)
- City has achieved mandated conservation for the June 2015 – February 2016 period
- Exceeded 28% conservation requirement by just 1.4%

# Drought Response: 2016 Update

## Extended Conservation Requirements

- Emergency water conservation regulations have been extended through Oct 31<sup>st</sup>, 2016
- Monthly conservation standard for March – Oct. 2016 is 24%. Conservation mandate is cumulative (914.05 MG by October 2016)
- City may receive adjustment to the monthly conservation standard to account for investment in drought-resistant supply and water efficient growth
- City's current Level 2 Mandatory Restrictions remain in effect to assist the community in maintaining sufficient conservation and complying with the extended conservation regulations
- City's landscape and high-efficiency toilet rebates are open to new applicants
