Applicants and others present: Shana Reiss

Item 1

File #: [B22-0644](#)
Requested Action: Final DRC Approval
Application Request to install two new loading docks on existing wine production building for San Antonio Winery.
Applicant: Reiss Design Studio
Location: 6305 Buena Vista Dr.
Discussion: Staff presented the site plans and elevations for the proposed project. Staff indicate that with the addition of the truck docks approximately 50 parking spaces would be removed. With the removal of the parking spaces the facility would have 126 parking spaces which exceeds the 117 required based on the current parking ordinance requirements for wine production and storage.
Action: The DRC approved the plans as proposed.
