

# CITY OF PASO ROBLES

Drought Response: Nov. 17, 2015 Update

This Summer  
**Reduce Your Use!**

# Drought Response: 2015 Update

## Conservation and Outlook

- November 1-15<sup>th</sup> water use suggests insufficient conservation for the month (~2% from target)
- State may initiate formal enforcement for further non-compliance: information order, notice(s) of violation, & fines
- Significant opportunities to reduce water use in the community:
  - Reduce watering times during the fall & turn off irrigation in winter (November demand is ~26% of peak summer demand)
  - Comply with watering schedule & other restrictions
  - Do not water during or within 48-hours of rain
  - Check for leaks indoors & outdoors, and fix immediately

# Drought Response: 2015 Update

Production and 2015/16 Mandated Target (June 2015-Feb 2016)
