

CITY OF PASO ROBLES

Drought Response: Oct. 6, 2015 Update

This Summer
Reduce Your Use!

Drought Response: 2015 Update

Conservation and Outlook

- Community met September target (by only 2%)
- Additional efforts will be required to meet state mandated water savings for remaining months
 - Comply with watering schedule & other use restrictions
 - Do not water during or within 48-hours of rain
 - Reduce watering times during the fall & turn off irrigation system in winter
 - Check for leaks indoors & outdoors, and fix immediately

Drought Response: 2015 Update

Production and 2015/16 Mandated Target (June 2015-Feb 2016)
